Vol. VI No. 1

FROM THE PRESIDENT

October 1, 1965

AN EXCELLENT BEGINNING

As I reflect upon the smoothness and efficiency with which the faculty and staff have carried out their responsibilities during freshman orientation and fall registration and as I continue to receive such excellent reports regarding the first two weeks of classes, I find great satisfaction and experience a personal thrill in knowing that we are off to such a wonderful beginning of this school year.

If we are to experience another great year for Western, we must commit ourselves to this same type of hard work and college-wide cooperative effort throughout the year. I am personally grateful and want to express appreciation on behalf of the College for the job which you are doing. Please be assured of my support always toward a greater Western.

THE KENTUCKY EDUCATION ASSOCIATION

Dr. John D. Minton is serving effectively as President of the Kentucky Education Association of Western Kentucky State College. The College commends Dr. Minton for the work which he has done in stimulating within all of us a stronger conviction on the value in supporting education in Kentucky through membership in KEA. This is our Number 1 professional organization, and it is hoped that we will have reason to take pride in the large number who join again this year.

Each member of the faculty and administrative faculty will soon be receiving a communication from Dr. Minton in which he will outline more specifically the benefits derived from membership in KEA. In the meantime, many of us will want to see Miss Lois Dickey in the Business Office to take membership for 1965-66. The dues are \$16.00, the same as last year.

TDEA--OCTOBER 8

For the benefit of all new members of our faculty and staff, a brief explanation of the important occasion to be held on the Western campus on Friday, October 8, may be helpful.

The Kentucky Education Association is comprised of eleven education districts. Western is a part of the Third Education District and is the site of the annual Third District meeting. A copy of the program is attached. Only classes scheduled for the Academic-Athletic Building will be dismissed on that day; however, it is hoped that each member of the faculty will serve as a host to our visitors and will attend the departmental meetings and other sessions which hold a professional interest.

Western is especially proud of the fact that Mrs. Juanita Park, First Grade Supervising Teacher in the Training School, is serving in the important capacity of President of the Third District Education Association.

A REMINDER

It will be a service to the College and beneficial to each of us if every member of the faculty and staff will fill out the IBM address card and send it to the College Heights Post Office. The card was included in your packet of materials at the opening faculty and staff meeting on September 10.

FACULTY DINING ROOM

The Faculty Dining Room in the Paul L. Garrett Student Center is available for use by members of the faculty and staff, and you are invited to use this facility during the lunch hour when you are remaining on the campus for the noon meal.

Kelly Thompson
